The Compact, Title II, Article XII, Section 9(a) mandates that no certificate of public convenience and necessity issued under Section 4 of said Article "... shall remain in force unless the person . . . holding such certificate complies with such reasonable regulations as the Commission shall prescribe governing the filing and approval of surety bonds, policies of insurance, [and] qualifications as a self-insurer . . . in such reasonable amount as the Commission may require" See also Commission Regulation No. 62, as amended by Order No. 1598, served August 25, 1976.

insurance or such other evidence, in writing and under oath, as it may deem pertinent to show good cause why its Certificate of Public Convenience and Necessity No. 97 should not be revoked.

4. That Certificate of Public Convenience and Necessity No. 97 issued to Washington Motor Coach, Inc., is suspended until further order of the Commission, and Washington Motor Coach, Inc., is directed to cease and desist from transportation subject to the Compact, until further order of the Commission.
